Studio #210

**Anderson Alley Artists
250 North Goodman Street**

We are in the Anderson Artists Building adjacent to the Memorial Art Gallery and next to, but not in, Village Gate. Enter the studios from the alley side of the building through either of the yellow doors.

From the surrounding towns, drive into Rochester on I-490 and exit north on Goodman Street, travel about one mile past University Avenue. You'll see the sign for Anderson Alley Artists on the right.
